# Final Internship Record

---

Koka Alex

# Presentation

---

My name is Alex Koka and I frequent the class  
5BM of the institute "IIS Marconi Pieralisi" located  
in jesi

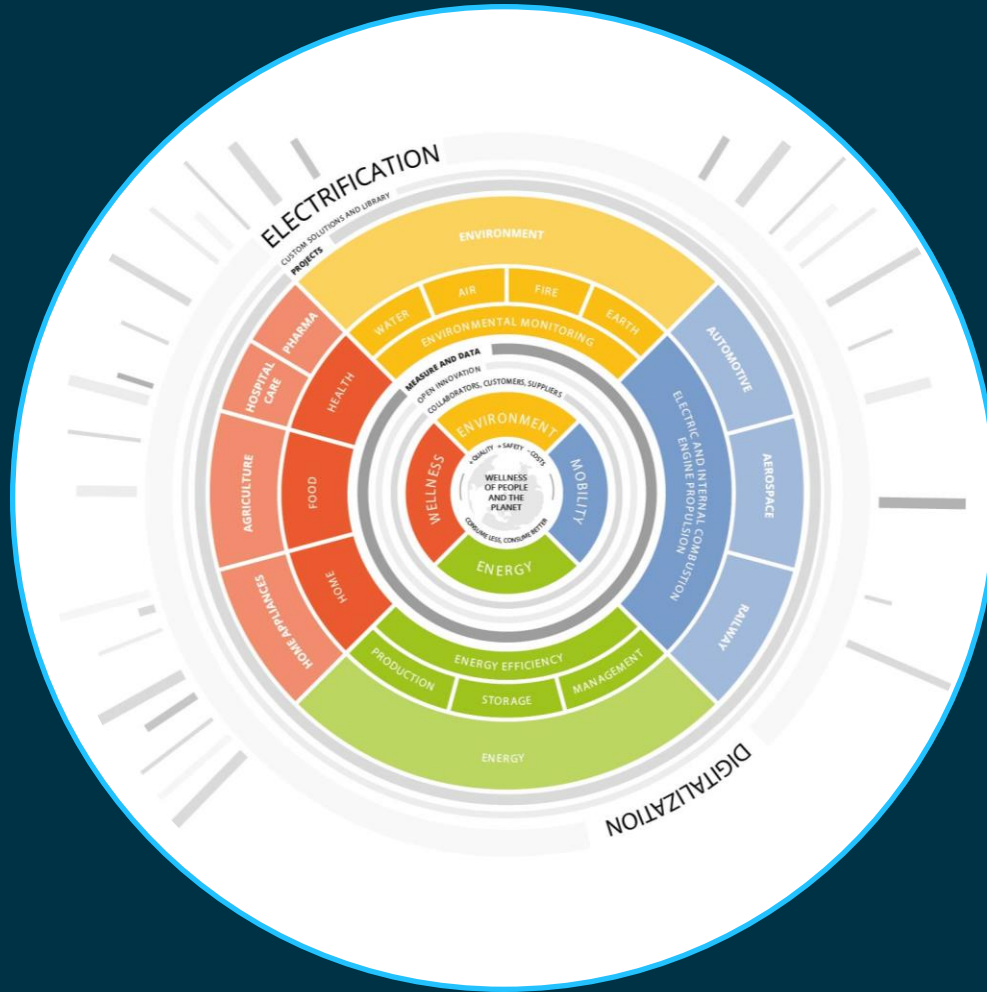

# Company information

---

I completed my internship at Loccioni, located in moie and maiolati spontini, specialized in the field of measure.

# Polaris

# Stage

---

My main duty was to assist staff in making an injector test bench, which included various tasks like programming and create a working plan.

# Internship Evaluation

My internship experience was highly educational and professionally enriching. I was able to become more familiar with:

- Different point of view for programming
- Learn new and better ways to resolve problems
- Comprehend what does it mean to work in a numerous team
